	Zach	Wednesday	040				
Technology	Yanni	Wednesday	003				
Visual Art	Hulse	Thursday	001				
	Shinners	Monday	038				

Extra help is run for one hour, three days every week. Children are not restricted to seeing just their own teacher for help. They can see any teacher in that subject area who is available on that day. It requires a little advanced planning but there are plenty of teachers around every Monday, Wednesday and Thursday to help those students seeking assistance with their work.

\* Indicates that the teacher is split between two buildings and provides extra help in the Middle School on alternate weeks
