	Sweet	Monday	015					
	Wilson	Wednesday	029	Technology	Reid	Thursday	003	
				Visual Art	Ross-Dinin	Thursday	001	
					Shinners	Wednesday	038	

Extra help is run for one hour, three days every week. Children are not restricted to seeing just their own teacher for help. They can see any teacher in that subject area who is available on that day. It requires a little advanced planning but there are plenty of teachers around every Monday, Wednesday and Thursday to help those students seeking assistance with their work.

* Indicates that the teacher is split between two buildings and provides extra help in the Middle School on alternate weeks
